

Dear Students and Families,

We're excited to invite students to apply for this year's **Math Club** and represent our school in the **Perennial Math Competitions**! This club is for students who enjoy math challenges, creative thinking, and working as a team.

### **What to Expect:**

- **Weekly after-school meetings** to practice and prepare
- **Monthly online competitions**
- **On-site competition** (date TBD)

### **Club Fee:**

A **club fee** will be required for materials and competition registration. Details will be provided once participants are selected.

### **Interested?**

Please complete the **attached Interest & Application Survey** and return it by **August 22nd** to **Math Coach Mrs. Ayfer room 236 (2<sup>nd</sup> floor next to teacher's lounge)**

**Final participants will be announced after surveys and applications are reviewed.**

Spots may be limited based on interest and team size requirements.

### **More Info:**

An overview of **Perennial Math** is included in this packet. You can also visit the website for details:

<https://perennialmath.com>

Let's make this a fun and rewarding year of math exploration!

Sincerely,

**Ayfer Ustaomer**

Math Club Coordinator/ Math Coach
